ADULT DAY CARE OF CALVERT COUNTY CELEBRATES!

In 2015, the week of September 13 – 19 is proclaimed as National Adult Day Services week. It was introduced in 1983 by former President Regan to raise awareness of the availability, accessibility and benefits of adult day care programs, and has been recognized annually in the United States since then.

The Calvert County Commissioners plan to recognize September 13 – 19, 2015 Adult Day Service Week with a local proclamation on September 15 during the commissioner's meeting. In attendance will be representatives from Adult Day Care of Calvert County, Friendly Health Services, and the Office on Aging.

Adult Day Care of Calvert County will be celebrating this special week, and cordially invite any community members to join us for lunch at our center on September 16 or 17. Bring your bag lunch or for \$6 and advance notice, we will order you one of our prepared lunches that we serve our participants. Lunchtime is between 12 and 1 pm, and advance notice means 24 hours. 410-535-0133 (No advance notice required if you bring your own lunch.)
